techair function with emotion

techair 3710v4e 15 - 16" eco rolling backpack

Convertible Trolley/Backpack – This is function with emotion.

Trolley or backpack? Why choose when the case geeks at techair give you both. Made from recycled plastic bottles (RPET) and weighing in at just 1.83kg, the TAN3710V4e is one of the lightest options available, making it easier on your shoulders and back when you're on the move. Adjustable shoulder straps and a retractable telescopic handle give you the flexibility to carry or roll your way, while reinforced corners and Lateral Protection™ foam cushioning keep your 15"–16" laptop safe and sound. There's plenty of room for all your other gear too. And with a lifetime warranty, you can count on it to keep going wherever you do. That's function with emotion.
