

Antec CORE MICRO

Gaming. Anywhere.
The Antec Core Micro – built for ultimate portability and performance

At Antec, we believe that gaming should be fun, accessible, and always within reach. The Core Micro is crafted to fit into your mobile lifestyle, delivering power and portability.

Pocket Sized Power

With the Core Micro, a whole library of games fits comfortably in your pocket. Compact and lightweight, it's easy to carry your entire collection wherever you go.

Impressive Display

Experience stunning details on the 3.5" touchscreen display. With sharp visuals and 100% sRGB color coverage, every game looks vibrant and crisp.

Effortless Performance

The Core Micro plays all of your favorite titles. Whether you're exploring retro classics or pushing the limits with newer Android games, it's handled with ease.

All-Day Play

The Core Micro delivers up to 6 to 8 hours of uninterrupted gameplay. Adventure wherever you go, with battery life that lasts as long as you do.

Premium Hall Sensor Joysticks

Dual hall sensor joysticks, responsive L1/L2 and R1/R2 buttons, and a lightweight form factor combine for comfortable and precise control.

Precise. Perfect.

Precision-crafted from CNC aluminum alloy, the Core Micro offers a robust and sophisticated design.

Familiar and Modern, or Old School Cool

Equipped with the classic YXBA layout, the Core Micro nods to the old school. Prefer modern? Switch to the familiar XYAB setup through the built-in software.

Color Your Experience

Available in Gray, Black, and Red, the Core Micro combines durability with sleek aesthetics. Its compact form factor enhances portability, making it as stylish as it is practical.

Your Games, Organized

With AYASpace and AYAHome, managing and organizing your game library is simple and intuitive. Customize controls, adjust performance settings, and launch games in seconds, all from a single interface.

Play Your Way

The Core Micro is a perfect blend of portability, performance, and precision. It brings the best of retro gaming into the modern world – simple, intuitive, and always ready to play.
