

# WorkForce DS-900WN

The WorkForce DS-900WN is a high-speed, Wi-Fi and network-integrated scanner with open platform compatibility. Paper alignment plate included.

This business scanner offers a comprehensive solution for efficient, reliable, secure and user-friendly document scanning. With its advanced features, seamless integration (with third party solutions) and an intuitive interface, the DS-900WN is ideal for businesses of all sizes. It's also manufactured using 30% recycled plastic<sup>1</sup> and has low power consumption.

#### Open platform

The DS-900WN features web-based open platform which allows seamless integration with Epson software or third-party software solutions. This means that businesses can customise their systems and integrate the scanner with existing infrastructures, business processes and workflows.

#### Network connectivity

Integrated network connectivity means that the scanner can be shared by multiple users and each user is able to create their own settings. Also, the LCD touchscreen allows the user to operate the scanner directly, without the use of a PC.

#### High speed

The DS-900WN processes and digitises a high volume of documents, quickly and securely. Scan speed of 70ppm/140ipm, a daily duty cycle of 11,000 pages and the included paper alignment plate, make this an ideal scanner for a wide range of industry sectors: from government, healthcare and legal, to finance, accounting and education.

#### Efficient

Built with efficiency in mind, the DS-900WN offers low power consumption, whether idle or in use. It's also made from 30% recycled plastics (from discarded IT products).<sup>1</sup>

## KEY FEATURES

- **Open platform**  
Full Integration with ISV or Epson software solutions
- **High speed**  
70ppm/140ipm, 11,000 pages daily duty cycle, 100-sheet ADF
- **Network connectivity**  
USB 3.2 Gen1, Wi-Fi, Wi-Fi Direct, LAN
- **User-friendly**  
Customisable LCD touchscreen, scan directly - no PC required
- **Efficient**  
Low power consumption

## PRODUCT SPECIFICATIONS

### TECHNOLOGY

| Scanning Speed | Monochrome:70 pages/min - Color:70 pages/min measured with Size: A4 , Resolution: 200 / 300 dpi, Monochrome:140 image/min - Color:140 image/min measured with Size: A4 , Resolution: 200 / 300 dpi |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### PAPER / MEDIA HANDLING

|                              |                                         |
|------------------------------|-----------------------------------------|
| Paper Setting Capacity       | 100 Sheets                              |
| Reliability Daily Duty Cycle | 11,000 pages                            |
| Duplex Scan                  | Yes                                     |
| Paper weight                 | Auto loading: 27 - 413 g/m <sup>2</sup> |

### SCANNING FEATURES

|                               |                                                                                                                                                                                                                                   |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Features                      | Standalone operation, Skip blank page, A3 stitching, Punch holes removal, Multi-purpose user interface, Automatic de-skew, Auto-rotation, Text enhancement, Edge fill, Barcode Recognition, Full Zonal OCR, Scan to Cloud Storage |
| Output formats                | BMP, JPEG, TIFF, multi-TIFF, PDF, searchable PDF, secure PDF, PDF/A, PNG                                                                                                                                                          |
| Advanced document integration | Scan to Email, Scan to FTP, Scan to Microsoft SharePoint®, Scan to Web folders, Scan to Network folders, Scan to USB, Computer (Epson Document Capture Pro)                                                                       |

### CONNECTIVITY

|            |                                                                                                                             |
|------------|-----------------------------------------------------------------------------------------------------------------------------|
| Interfaces | USB 3.2 Gen 1x1, Wi-Fi Direct, Ethernet Interface (1000 Base-T/ 100-Base TX/ 10-Base-T), Wireless LAN IEEE 802.11a/b/g/n/ac |
|------------|-----------------------------------------------------------------------------------------------------------------------------|

### GENERAL

|                              |                                                                                                                                                                                                           |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product dimensions           | 296 x 212 x 217 mm (Width x Depth x Height)                                                                                                                                                               |
| Product weight               | 3.7 kg                                                                                                                                                                                                    |
| Drivers                      | Epson Scan2 (TWAIN), SANE (Linux), WIA (Windows), ICA (Mac), ISIS (Windows)                                                                                                                               |
| Included Software            | Document Capture Pro, Epson Scan 2                                                                                                                                                                        |
| Compatible Operating Systems | Linux, MAC OS 10.15 + or later, Windows 10, Windows 11 or later, Windows 7, Windows 8, Windows 8.1, Windows Server 2008 (32/64bit), Windows Server 2012 (64bit), Windows Server 2016, Windows Server 2022 |
