- Built with 2-meter drop protection⁴ and a Unique Thermal Control Design offers stable performance throughout the tournament

Capacities:

512GB
1TB

Capture the Glory

Featuring an official team-inspired AFA design, the Lexar® Air Portable SSD Elite Legends Series offers up to 1TB of storage, speeds up to 400MB/s², and a USB-C to USB-C cable and a USB-C to USB-A adapter to keep a highlight reel, or footage of the entire tournament, ready for an instant replay on any device. Designed with 2-meter drop protection³ and a unique thermal control design, this drive ensures performance, quality, compatibility, and reliability.

Argentine Football Association Design. Inspired by Argentina's iconic blue and white stripes and the legendary Number 10, honoring their glorious journey.

Your Match Day Expansion Companion. Weighs less than a USB cable to offer light, compact storage that easily fits into a pocket or backpack, while providing up to 1TB of additional capacity to store all your favorite game-winning highlights and team memories.

Store the Full Tournament. Save up to 300,000 photos, or 18,000 minutes of HD video¹, to replay and relive the glory of match day, long after the final whistle.

Breakaway Speeds. Transfer speeds up to 390MB/s read and up to 400MB/s write are 3X faster than HDDs² and can transfer 1GB³ of data in three seconds for a fast break on file transfers to save time and improve efficiency.

Automatic Photo Backups. The Lexar App automatically backs your mobile photos, videos, and even iPhone Live Photos to easily save all your winning moments and memories from your mobile device.

Ready for Any Roster. Includes a USB-C to USB-C cable and a USB-C to USB-A adapter to ensure this drive works with any of your devices. Compatible with PC, Mac, tablets, smartphones, and more.

Rigorously Tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

For more than 30 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives, and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

¹ Based on internal testing. Photos (3MB JPEG) and videos (HEVC, 1080p HD+30fps, 60MB/min) vary by model, parameters, compression rate, and device.

² Up to 390MB/s read transfer, up to 400MB/s write. Speeds based on internal testing on devices that support USB 3.2 Gen 1; performance may be lower depending on host device, interface, usage conditions, and other factors.

³ 2-meter anti-drop based on internal testing conducted under controlled conditions. Actual drop resistance capabilities may vary.

Lexar is not liable for any loss of data or images.

Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory. Actual usable memory capacity may vary. 1GB equals 1 billion bytes.

Specifications

Capacity	512GB / 1TB
Interface	USB 3.2 Gen 1
Speed	Up to 390MB/s read, up to 400MB/s write ²
Compatibility	Lexar App: Android/iOS Portable SSD: Windows/macOS/Linux/Android/iOS
Includes	Portable SSD, 11.8-inch USB-C to USB-C cable, USB-C to USB-A adapter, Collector's Card
Protection	2-meter drop-resistant ³
Operating Temperature	0°C to 55°C (32°F to 131°F)
Storage Temperature	-40°C to 85°C (-40°F to 185°F)
Module Size (L x W x H)	50.7mm x 70.7mm x 9.3mm
Weight	19g
Warranty	3-year limited warranty
