

Fiber Optic Cleaning Pen, MPO Fiber Cleaner for MPO/MTP Connectors and Ports, Fiber Optic Cleaner Pen

Product ID: FOCPENMPO

Ensure optimal performance with this practical fiber optic cleaning pen, designed for MPO/MTP fiber connectors. It provides quick, effective cleaning for reliable signal quality in critical network environments.

This Fiber Optic Cleaning Pen effectively removes dust and particles to prevent contamination that can compromise connection reliability and signal quality. Because optical fiber is highly sensitive to contamination, keeping fiber ends clean is essential for maintaining consistent performance, especially in high-bandwidth connections where even minor particles can disrupt signal integrity.

Cleaning fiber connector ends is simple with the intuitive one-click mechanism. Each press advances the cleaning belt to wipe away contaminants from the connector end face, ensuring a fresh cleaning surface with every use.

This Optical Fiber Cleaning Pen is suited for fiber optic network maintenance, server racks, and data centers. Its compact, lightweight design is ideal for technicians working with high-density fiber setups, including patch panels and transceivers.

Certifications, Reports and Compatibility

Applications

- Remove dust and particles from fiber optic MPO/MTP connectors ensuring a reliable signal
- Quickly and effectively clean fiber connectors for reliable signal quality in critical network environments

Features

- **Effective Fiber Cleaning**: Ensure optimal signal quality by removing dust and particles from fiber optic MPO/MTP connectors; Fiber optic cleaning pen is compatible with MPO/MTP multi-fiber connectors and interfaces
- **Simple One-Click Operation**: Clean fiber ports and connectors instantly with a simple one-click design; Each press advances the cleaning belt to wipe and polish the connector end face
- **Reach Tight Ports**: Long, slender tip is ideal for reaching hard-to-access fiber ports; Attach the protective cap after each use for secure storage, keeping the cleaning belt shielded from dust and damage
- **Field Ready**: Lightweight, long-lasting cleaning pen, ready for up to 600 uses; Essential tool for technicians and installation crews working with fiber optic cables in data centers and edge or on-prem installations
- **The IT Pro's Choice**: Our network tools and testers are rigorously tested in our Innovation Lab to ensure enterprise-grade reliability; Built for seamless deployment across copper and fiber networks; Backed by free lifetime 24/5 multi-lingual assistance

Performance

Warranty	1 Year
MTBF	Up to 600 uses

Environmental

Operating Temperature	-10C - 50C (14F to 122F)
Storage Temperature	-40C - 60C (-40F to 140F)
Humidity	N/A

Physical Characteristics

Color	Blue
Material	Plastic
Product Length	8.2 in [209 mm]
Product Width	2.0 in [51 mm]
Product Height	0.6 in [15 mm]
Weight of Product	1.8 oz [52 g]

Packaging Information

Package Length	2.2 in [5.5 cm]
----------------	-----------------

Package Width	8.5 in [21.5 cm]
Package Height	1.0 in [2.5 cm]
Shipping (Package) Weight	3.5 oz [100.0 g]

What's in the Box

Included in Package	1 - Fiber Optic Cleaning Pen
---------------------	------------------------------

****Product appearance and specifications are subject to change without notice.***
