Furniture Power Center Basic Switching Unit with 10' Cord - White
Part No. RDSZWH10

radiant Furniture Power Centers bring a sleek, modern design with the functionality of USB and traditional power together. Quick and easy installation means nearly every piece of furniture can be powered up and ready to recharge devices. A sleek design and tamper-resistant receptacles bring your furniture a step above ordinary.

Features & Benefits

Simply cut an opening, insert, tighten clamps, snap on the bezel and plug in.

A compact, low profile design mounts quickly into many surfaces using screw clamps instead of wood screws.

Two USB charging ports (5V, 3.1A total) to charge mobile devices as quickly as possible.

Version with 10' cord available in black, white, and nickel.

Complies with part 15 of the FCC Rules and is ETL Listed to both US and Canadian safety standards.

Features an optional push button switch that controls a cord-connected lighting fixture.

Safe for spills and ready to mount in horizontal surfaces like table tops

Two tamper-resistant receptacles to protect yourself and your devices from damage or risk of injury.

The pass-thru plug allows you to plug another device such as a lamp into the back of the furniture power unit plug, ensuring you don't lose an outlet.

Specifications
