FEATURES

1 RETROFIT DESIGN
Installs directly to the wall over pre-existing whiteboards or chalkboards, including marker trays, without causing damage.

2 DUAL LATERAL SHIFT OPTIONS
Mount shifts left/right at the wall installation. Additional adjustment can be achieved by sliding the uprights and interactive board left/right along the mount crossbar.

3 PRECISION PLACEMENT
Macro and micro height adjustments provide ease of installation and perfect positioning.

4 STABLE INSTALLATION
Adjustable feet hold the board in place, ensuring a stable writing surface.

WHAT YOU NEED TO KNOW

COMPATABILITY
Designed for use with SMART™ 600 and 800 Series interactive boards.
