

i-tec USB-C Charging Cable 1.8m

PRODUCT DESCRIPTION

The only USB-C cable you'll need every day. With support for **USB Power Delivery up to 100 W**, it reliably charges laptops, tablets, smartphones, smartwatches, wireless earbuds, power banks, handheld gaming consoles and virtually any modern device equipped with a USB-C port. The integrated **E-Marker chip** ensures safe power delivery and optimal communication between the charger and the connected device.

The cable also supports **data transfer speeds of up to 480 Mbps (USB 2.0)**, allowing you to transfer photos, music, documents and other files between devices in just seconds. Its durable construction, tested for **more than 40,000 bends**, ensures long-lasting performance and reliability whether you're working at home, in the office or on the move.
