

MPN: MO-SFP+2142CS

10GBase-LR SFP+ Transceiver, 1310nm, 10km, Cisco Compatible

EET has expanded the offerings to support a wide range of optical transceivers ranging from GBIC to XFP. All of the products comply with MSA and environmental standards.

Why 3rd party transceivers?

OEM 's such as HP, Cisco, 3Com (HP) and many others don 't make any transceivers themselves but relabel standard products and add huge margins. We have decided to give our customers a choice. Buy original or save up to 60 % and get high quality products with:

- 3 Year warranty
- 100% Compatability
- Availability from our extensive stock
- High Quality - all products are tested
- Huge savings on quality alternatives to "originals"

Buying MicroOptics Transceivers from EET Nordic does not mean your equipment warranty is void.

This 100% Cisco compatible multirate SFP+ transceiver module for 10GBASE-LR Ethernet aapplications, SMF, dual LC connector. This device supports full duplex 10Gbps transmission up to 10 km on standard Singlemode Fiber (G.652). This device is compatible with all Cisco Cisco Nexus 2000, 5000, & 7000 10G slots for 10Gbps SFP+ modules.

Specifications

Features	Certification	MSA
	Easy to install	Yes
	Plug and Play	Yes
	RoHS compliance	Yes
Operational conditions	Operating temperature (T-T)	0 - 70 °C
	Storage relative humidity (H-H)	10 - 85 %
	Storage temperature (T-T)	-40 - 85 °C
Packaging data	Number of products included	1 pc(s)
Performance	Digital Diagnostics Monitoring (DDM)	Yes
	Duplex system	Full
	Fiber ports quantity	1
	Interface type	SFP+
	Maximum data transfer rate	10000 Mbit/s
	Maximum transfer distance	10000 m
	SFP transceiver standard	LR
	Wavelength	1310 nm
Vendor information	Brand Name	Lanview
	Warranty	3 Year(s)
