

8in (20cm) HDMI to DVI-D Video Cable Adapter - HDMI Female to DVI Male

Product ID: HDDVIFM8IN

The HDDVIFM8IN HDMI to DVI-D Video Adapter Cable features one HDMI female connector and one DVI-D male connector, which enables a bi-directional connection between HDMI-capable devices and DVI-D capable devices to overcome compatibility issues.

The HDMI to DVI dongle is 8-inches long (end-to-end), which lessens strain on the connectors and prevents damage to the cable while also reducing the potential of blocking other nearby ports.

Designed and constructed to provide a dependable HDMI to DVI connection, this high quality cable is backed by StarTech.com's Lifetime Warranty.
