

## QuickFix for Canon iP100/iP110

Optimum printer bracket in a notebook case for Canon iP100 printers without batt

The Quick Fix printer bracket developed especially for DICOTA case solutions offers a secure hold of printers for transportation or use on site due to its high-quality materials (aluminium) and its stable design. Thanks to its high functionality, Quick Fix supports flexibly working on the move. The printer attachment is attached on the case flap. This guarantees that the printer and all corresponding cables have their own permanent place and are therefore protected against potential damage during transportation.
