# Power Adapter for BenQ 90W 19V

## 4.74A Plug:5.5\*2.5 Including EU Power Cord

Coreparts AC adapters are built with premium materials to deliver stable and safe power across a wide range of IT devices. Fully compatible with OEM equipment, they include certified protection features to guard against overvoltage, overcurrent, and short circuits—ensuring reliable performance in everyday use. Their compact yet robust design makes them easy to handle and durable in demanding environments. With a wide product portfolio, we support everything from current models to hard-to-find legacy devices. Every adapter comes with a 12-month full warranty and a satisfaction guarantee, including the right to exchange within the warranty period. When you choose Coreparts, you choose quality, compatibility, and confidence

- Premium Build Quality
- Full Compatibility With Oem Devices
- Certified Safety And Protection Features
- Wide Product Portfolio
- Compact And Robust Design
- 12-Month Full Reliable Warranty
- Satisfaction Guarantee With Exchange Option

## Specifications

|                   |                           |            |
|-------------------|---------------------------|------------|
| Design            | Housing colour            | Black      |
|                   | On/off switch             | No         |
|                   | Product colour            | Black      |
| Features          | Certification             | CE         |
|                   | Housing material          | Plastic    |
|                   | Input frequency           | 50 - 60 Hz |
|                   | Input voltage             | 110-230 V  |
|                   | Output power              | 90 W       |
|                   | Output voltage            | 19 V       |
|                   | Power current type        | AC-to-DC   |
|                   | Power supply type         | Indoor     |
| Other features    | Batteries included        | No         |
|                   | Overload protection       | Yes        |
|                   | Short circuit protection  | Yes        |
| Packaging content | Included power plug types | EU         |
| Packaging data    | Package type              | Box        |
|                   | Quantity per pack         | 1 pc(s)    |
| Performance       | Charger compatibility     | Laptop     |
|                   | Charger type              | Indoor     |

|                    |                                     |                  |
|--------------------|-------------------------------------|------------------|
| Performance        | Compatibility                       | Benq Joybook S53 |
|                    | Connector(s)                        | 5.5*2.5          |
|                    | Power source type                   | AC               |
| Power              | AC adapter output current           | 4.74 A           |
|                    | Automatic output voltage adjustment | Yes              |
|                    | Input operation voltage (min)       | 100 V            |
|                    | Maximum output voltage              | 19 V             |
|                    | Maximum power                       | 90 W             |
| Technical details  | Plug 1 dimensions                   | 5.5*2.5 mm       |
|                    | Power                               | 90 W             |
|                    | Power consumption (standby)         | 0.21 W           |
| Vendor information | Brand Name                          | CoreParts        |
|                    | Warranty                            | 1 Year(s)        |
