Its sleek silver design looks great with your MacBook, and any laptop or Chromebook with a similar look. It's also compatible with Thunderbolt 3 ports.

Engineered with a high-quality aluminum housing in a silver finish, the network adapter is the perfect companion for your MacBook, and any laptop or Chromebook with a similar color finish. Compact and portable, this USB network adapter is the ideal laptop accessory. You don't have to carry a power adapter with you to use it because it's powered directly from the host USB port.
