

# Independent Rotation Tablet Display Mount Kit

Item #7170-0514

## **Our most versatile tablet display kit featuring independent rotation for your keyboard and tablet**

Your keyboard and tablet can each swivel a full 360 degrees to create a work environment that's completely custom for your vehicle and your needs. In low or bright light settings, quickly tilt your tablet forward or back so it's easy to read the display. The quick release keyboard tilts too, so you can set it at an angle that's comfortable for you.

### **Display kit includes**

- 7160-0761 - Independent tablet display mount
- 7160-0758 - Mount base
- 7160-0220 - Mongoose motion attachment to easily slide your keyboard closer or farther away
- 7160-0857 - Low profile quick release keyboard tray

### **Tilt**

Display can be tilted down 160° away from the dash

### **Swivel**

Display/Keyboard Tray can be swiveled together 360°
