

7" USB Open Frame Display

UM-760-OF/760R-OF Series

UM-760-OF

Super slim USB-driven LCD monitors are a friendly and affordable way to add a display to any computer or interface system.

Liquid Crystal Display

The Mimo UM-760-OF/760R-OF with its simple and easy installation fixture weighs less than a pound and measures less than an inch thick. The screen can display in either landscape or portrait orientations. The UM-760-OF/760R-OF monitor is designed to provide the most cost effective solutions for consumer, retail POS, and hospitality markets.

General Specifications:

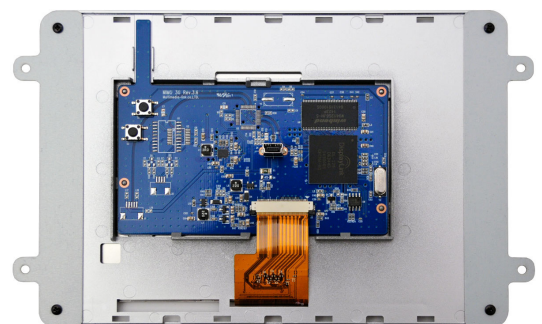

- Screen: 7" diagonal
- Display colors: 16.7M
- Surface treatment: Hard coating (3H), anti-glare
- Available in Resistive (UM-760R-OF), and Non-Touch (UM-760-OF)
- Utilizes Displaylink for power, touch and video over single USB connection

Applications:

- POP/POS
- Secondary screen for productivity
- Gaming and entertainment
- Light industrial shop-floor automation
- Digital Signage
- Video Conferencing

Mac OS X Touchscreen Driver (\$35)

A special driver is required for using the Mimo UM-760R-OF with a Macintosh computer (*Intel-based only*) to support touchscreen functions.
