

MPN: PE010418AUSTRALIA-A

Power Cord AUS to C13 1.8m

The PE010418AUSTRALIA-A Power Cord is a reliable solution for connecting your devices to Australian power outlets. This 1.8-meter cable features a standard Australian (AUS) plug on one end and a C13 connector on the other, making it ideal for powering computers, monitors, and other equipment that utilizes a C13 inlet. Built to MicroConnect's high standards, this power cord ensures safe and efficient power delivery. With over 20 years of expertise, MicroConnect provides premium quality power solutions. Trust this durable and dependable power cord for your connectivity needs, ensuring the safe and reliable operation of your valuable equipment. This cable is essential for anyone needing to connect devices with a C13 port to an Australian power supply.

Specifications
