Highlights

Maintain the coffee taste

Regular maintenance ensures the best taste and aroma from your Philips and Saeco espresso machine.

Protects espresso machines

Our Coffee Oil Remover Tablets remove all coffee oil residues, while keeping your espresso machine working efficiently for best results. We recommend to carry out this cycle at least once per month.

Regular cleaning

Extend the life of your Espresso Machine to enjoy the maximum potential of your appliance. To ensure a perfect performance over time, clean your appliance every month or after 500 cups of coffee

Philips Original

Please use only Philips consumables to ensure the maximum lifetime and the safety of your Philips and Saeco appliances.
