

Epson TM-J7700(301) W/O MICR, BLACK, INC PSU, EU

Multifunctional POS inkjet printer offering fast, high quality receipt printing with a low total cost of ownership.

Designed to offer maximum performance and minimum running costs in retail environments, the TM-J7700 multifunctional POS printer uses inkjet technology to print receipts as well as slips, forms and coupons, with sharp, durable results.

Faster, better inkjet technology

Inkjet technology means that not only are printouts more detailed (600dpi compared to 180dpi for existing models), they're around twice as fast too, with a print speed of 100mm/s (23.2lps) compared to 43mm/s (13.5lps) for previous models.

Low TCO

Epson has managed to incorporate inkjet technology into this new model while retaining a similar low total cost of ownership to previous dot matrix printers.

Simple maintenance

The ink cartridges have an easy-install design ideal for busy retail counters, as well as drop-in paper roll for quick loading, and the ink formulation used offers better water and light resistance than dot matrix, so receipts and documents will last longer.

Backwards compatible

To make upgrading from existing models incredibly easy, the TM-J7700 is fully backwards-compatible with the TM-J7500 and has exactly the same footprint, so it can simply be swapped in. However, to integrate smoothly with the latest ePOS systems, the model offers both USB and Ethernet connection options.

KEY FEATURES

- **Versatile inkjet POS printer**
Faster, better quality and more versatile
- **Low TCO**
Similar overall costs to previous dot matrix model
- **Durable prints**
Print is now more resistant to water and light
- **Simple maintenance**
Ink and paper rolls are very easy to replace
- **Backwards compatible**
Crisp, clear text and glossy photos

PRODUCT SPECIFICATIONS

INTERFACES

Interfaces USB 2.0, Ethernet interface (100 Base-TX / 10 Base-T), Drawer kick-out, Customer Display

GENERAL

Product dimensions 251 x 260 x 188 mm (Width x Depth x Height)
Product weight 5.8 kg
Colour Black (EBCK)
Noise Level Operation (Roll):55 dB (A)
Noise Operation:55 dB (A)
Supported Humidity Operation 20% - 80%, Storage 20% - 85%
Supported Temperature Operation 10° C - 35° C, Storage -20° C - 40° C

PRODUCT SAFETY

Product Safety Warnings Contains 2,4,7,9-tetramethyldec-5-yne-4,7-diol. May produce an allergic reaction.
Always follow the information on the product label.

OTHER

Warranty 12 months Carry in
Optional warranty extension available
