

MPN: ADA925F

Gender Changer

The MicroConnect ADA925F DB9 to DB25 Male/Female Gender Changer provides a reliable and cost-effective solution for adapting serial connections. This adapter allows you to effortlessly convert a DB9 male port to a DB25 female port or vice versa, ensuring compatibility between different serial devices. Designed with premium materials and adhering to European quality standards, the ADA925F guarantees a secure and stable connection for data transfer. Ideal for use in various applications, this gender changer embodies MicroConnect's commitment to providing pioneering and versatile connectivity solutions. With over 20 years of expertise, MicroConnect delivers premium quality and dependable performance.

- Wiring: 1-8, 2-3, 3-2, 4-20, 5-7, 6-6, 7-7, 8-5, 9-22
- With locking-screws
