

MPN: SCSEHH3

D-SUB 9-pin data transfer cable, 3m

The D-SUB/RS-232 to D-SUB/RS-232 3m cable (SCSEHH3) provides a reliable and high-quality connection for serial communication needs. This 3-meter cable is expertly designed for extending or connecting devices using the standard DB9 serial interface. With MicroConnect's 20+ years of expertise, you can trust in the durability and consistent performance of this cable. Ideal for connecting computers, peripherals, and other devices requiring RS-232 serial communication, this cable ensures stable data transfer and is built to European quality standards, offering premium quality at a fair price. It's a dependable solution for both home and professional environments.

- Serial : 1:1
- 9C+1 28AWG BC, OD4.8mm
