

Classic USB-A Headset with Mic

Hear and speak with complete clarity

K97601WW

Product Description

Designed with sound clarity and device compatibility in mind, this USB-A Headset offers a high-quality, cost-effective solution that is perfect for e-learning, working from home, educational and office environments and more. Compatible with all USB-A devices running Windows, macOS, iPadOS, Android and Chrome OS.

Features

- High-quality stereo sound is provided through powerful 40mm drivers with deep bass and a wide dynamic range to deliver an exceptional listening experience.
- Best-in-class comfort – designed to fit heads of all ages, the adjustable headband is padded, the flexible boom-style microphone can be rotated up to 270 degrees and the foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use.
- Noise-cancelling microphone uses passive resistance technology to filter out ambient noise for optimum speech clarity.
- 1.8m USB cable is the ideal length for learning environments and strong enough to stand up to heavy use.
- Multi-device compatibility allows headphones to work with Windows, Mac and Chromebook devices.
- Safe listening limit sets the maximum output to 94dB to protect ears from hearing loss associated with excessively loud noise.
