

**2x Premium 140mm Fans
Wing Boost 3**

**Aerodynamically
optimized fins**

**100% RAM
Compatibility**

3ROCKEN 3
BLACK & WHITE EDITION

Wing Boost 3!

The two also included 140mm PWM premium fans of the new Wing Boost 3 series take care of the required airflow. Because of the rigidly integrated guide wheel for axial flow direction we have achieved not only an improved noise of the fan but also a minimized twist of the airflow at the heatsink. This results in the enormous performance of the cooler where the maximum speed has been reduced significantly compared to alternative layouts.

**WING
BOOST 3**

High-End Heatpipes

Thanks to the gapless H.D.C – technology the five high performance heatpipes have direct contact to the cpu. This allows rapid and safe heat dissipation to the heatsink.

**5x6 mm
Heatpipes**

Heatsink Specifications

Product name:	Brocken 3 Black & White
Dimensions:	146 x 150 x 165 mm
Thermal power:	220W TDP
Fins:	Aluminum
Baseplate:	Gapless HDC
Heatpipes:	5 x 6 mm Heatpipes
Weight:	ca. 1024g (incl. fans)

Fan Specifications

Dimensions:	140 x 140 x 25 mm
Speed:	400 - 1050 rpm
Bearing:	Fluid Dynamic Bearing
Rated Voltage:	12 VDC
Airflow:	103 m³/h
Noise level:	22 dB(A)
Connector:	4-Pin

Full-featured accessories
