
MOUNTING RACKSHELF, 1/2 RU, 5.5"D, 4 PC.

MS-5.5-4 |

FEATURES & BENEFITS

This innovative new shelf was designed to mount small items conveniently in the front or rear of a rack while providing abundant cable management and device tie down points. Pattern of holes and slots accommodates nearly any mounting hole pattern, and can also be used for wire tie or other fastening approaches. Surprisingly strong for their size, these shelves will solve many of your small item mounting challenges in any standard rack. NOTE: Must be installed using standard 10-32 or 5mm rack screws into threaded rackrail.

- Designed to mount small items in front or rear of racks
- Plentiful tie down points for cable management
- Surprisingly strong for their size
- Must be installed with 10-32 or 5mm screws into threaded rackrail
