

Professional Black HDMI to VGA Adaptor

TC-HDMIVGA/BL EU SAP: 4979146

visionaudiovisual.com/tc-hdmivga-bl

Plugs into HDMI port on a laptop. Converts digital HDMI signal into analogue VGA signal. Ideal when you are presenting in an older presentation environment which only has VGA cable between the lectern and projector.

VISION

The bottom of the page features a series of overlapping, semi-transparent green geometric shapes, including triangles and polygons, creating a layered, mountain-like effect. The colors range from a light, pale green to a dark, forest green.
