

K50421EU

Laptops and tablets have become go-to computing solutions for many professionals. This has created a variety of productivity challenges, from ergonomic issues such as poor posture and eye strain, to tech problems like overheating devices. The SmartFit™ Easy Riser™ Go Laptop Riser for laptops and tablets up to 14" combines the ergonomic benefits of raising your screen height with the technological benefits of increased air circulation for your laptop. Its sleek 2-in-1 design is height- and angle-adjustable to improve posture, promote proper eye alignment and support neck and shoulder comfort while helping to keep the laptop's internal components cool. Engineered for portability, it is a useful multipurpose companion for supporting a laptop workstation at work, at home and on the move.

- SmartFit™ supports proper ergonomic eye-level viewing angles, as well as improved neck and shoulder alignment.
- Height-Adjustable to allow users to lift the laptop or tablet as high as 215mm (8.5") for proper eye alignment
- Foldable Dual Kickstand Structure provides additional viewing and height flexibility options within a space-saving desktop footprint.
- Stability-Focused Design uses textured padded inserts and a wide bottom ledge with front lip to ensure a secure fit, plus anti-slip silicone foot pads to keep your device in place while you work.
- Pro Air Circulation dissipates heat buildup to extend the longevity of your device's battery and internal components.
- Smart Portability provides a space-saving footprint that can fit a variety of desktop spaces, a flat and slim folding structure for traveling, a built-in handle for easy carrying and durable hard-edges for extra protection.
