

MPN: V-UTP6005S-SLIM

## CAT6 U/UTP SLIM Network Cable 0.5m, Black

CAT6 slim cables are perfect for installations where you need to save space in IT Racks and Cabinets. These cables are thinner and very flexible which provides the installer a better accessibility and quick and easy switching. Furthermore, it improves the Air-Flow, and thereby reducing the risk of down-time. These cables are tested up to 250MHz (CAT6 standard) and are backwards compatible with CAT5e and CAT5 cables. Each cable is manufactured with a snagless design which prevents the connector from being damaged when you install the cable through an installation with very little space.

- To order a full box, please select the following quantity: 300 pcs.
- Suitable for Gigabit (10/100/1000 Mbit) network
- CAT6 tested up to 250 MHz
- with snagless
- with gold-plated pins
- low cable diameter: 3,6mm
- very flexible, very easy to move to save space behind baseboards
- support PoE++

## Specifications

|                    |                     |                                                                 |
|--------------------|---------------------|-----------------------------------------------------------------|
| Features           | AWG wire size       | 30/7                                                            |
|                    | Cable length        | 0.5 m                                                           |
|                    | Cable shielding     | U/UTP (UTP)                                                     |
|                    | Cable standard      | Cat6                                                            |
|                    | Conductor material  | Copper                                                          |
|                    | Conductor type      | Stranded                                                        |
|                    | Connector 1         | RJ45                                                            |
|                    | Connector 1 gender  | Male                                                            |
|                    | Connector 2         | RJ45                                                            |
|                    | Connector 2 gender  | Male                                                            |
|                    | Connector shielding | No                                                              |
|                    | Data transfer rate  | 10000 Mbit/s                                                    |
|                    | Frequency           | 250 MHz                                                         |
|                    | Jacket material     | Polyvinyl chloride (PVC)                                        |
|                    | Product colour      | Black                                                           |
|                    | RoHS compliance     | Yes                                                             |
|                    | Snagless cable boot | Yes                                                             |
