

L2 Series LECTERNS

The L2 Series Lectern is the only budget-friendly lectern that comes complete with a rack, thermal and cable management and connectivity, delivering the Middle Atlantic hallmark of support and security for AV systems. The contemporary, Sota style design paired with durable melamine material delivers an aesthetically pleasing option optimized for mobility. Available in easy-to-order, pre-configured models with or without a flip up shelf for additional surface space, the L2 Series Lectern delivers an affordable, all-in-one solution that supports presentation delivery in any room or auditorium.

FEATURES

- Each L2 Lectern includes critical infrastructure for an all-in-one, budget-friendly solution
 - Patented removable rack
 - Thermostatically controlled fan
 - Cable management including 5 total grommets and a pre-installed lacer bar
- The 12RU removable rack boasts a tool-less experience with easy access to rear connections or removal for simple servicing, yet secures in place for transportation
- The accessible rack design allows for a clean, seamless audience facing panel
- Sleek Sota style with a durable melamine finish for an attractive mobile solution to house and transport AV equipment
- Simplified selection of easy-to-order, pre-configured models available in three popular colors
- Flip up shelf for extra surface space on certain models
- Slide out shelf houses a keyboard without taking up valuable workspace
- Locking, heavy duty 4" casters for a safe, mobile solution
- Ships from stock
