

Designed to work with the latest generation of Chromebooks and laptops, the EdgeProtect™ single-side case delivers budget-friendly protection with enhanced coverage for those vulnerable corners. A custom-fit, top-only case, EdgeProtect safeguards your investment with impact-resistant, clear polycarbonate surrounded by shock-absorbing TPE edge and corner protection. When closed for carrying, the enhanced corners overlap the device bottom for added drop protection where it's needed most. Installs quickly and lightens the load for student carrying while delivering a perfect fit that never interferes with device functions. Start saving today. Now that's smart protection with an edge.
