

VIDEO CABLE

USB-C ▶ DisplayPort Cable

- with 4K Support

Part no. ELUCDP-XXRBLK

Part no	Color
ELUCDP-01RBLK	1m
ELUCDP-02RBLK	2m

Ultra HD 4K Resolution Support

The ALOGIC USB-C to DisplayPort Cable connects a USB-C (Display Port Alt. Mode)/Thunderbolt 3 enabled computer to a DisplayPort enabled monitor. The cable features the reversible USB-C connector, so it doesn't matter which way you plug it in, the cable will always connect.

- Reversible USB-C Connector
- Eliminates use of adapters and dongles
- Supports maximum resolution of up to Ultra HD 4K
