

Secret 2-way for EIZO Flexscan EV2456, side-mounted

Highly effective privacy protection for your PC screen. Protects your data effectively from prying eyes

Protect your data. Secret is a highly effective protective film that protects personal and confidential data from prying eyes. The protective film is placed directly on the screen. Plastic holders affixed to the edges of the screen keep the filter in place. The filter can be easily removed from the screen as needed.
