

50-Pack 12-24 12mm Nickel Plated Screws, Mounting Screws for 19" or 10" Server Racks, Cabinets and Enclosures, Designed for Rust Control, Silver - TAA

**Product ID:** CABSCRWS1224

This 50 Pack of 12-24 Server Rack Screws are convenient to have on hand for installing server, network, AV and other computer and storage equipment securely into your server cabinet or network data rack. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act (TAA), allowing government GSA Schedule purchases.

The bulk pack is also suitable for new server rack and cabinet setups - perfect for those times when you drop or misplace a screw. The bulk package ensures that you have enough screws available to bolt all of your rack mount hardware to your rack, when you need to.

These rack mount bolts feature solid steel construction, with a nickel-plated finish to prevent rust.

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

CABSCRWS1224 is backed by a StarTech.com 2-year warranty and free lifetime technical support.

## Certifications, Reports and Compatibility

## Applications

- Mounting your standard rack mountable equipment into a server rack or cabinet

## Features

- **Fits Standard Rack Rails**: Designed for 12-24 threaded rails, supporting secure mounting of servers, AV equipment, and accessories in 19inch and compact 10inch server racks and cabinets
- **Keep Installs on Schedule**: Stock a 50-pack for new builds and service work, so a lost or misplaced screw never stalls an installation
- **Speed Up Installations at Scale**: Pre-installed washers eliminate extra assembly steps while helping reduce scuffs and finish damage during installs and service work
- **Tech Specs**: 50x 12-24 Mounting Screws; Steel; Nickel-plated Finish; TAA Compliant for GSA Schedule purchases
- **The IT Pro's Choice**: Built from durable steel and designed for dependable rack mounting, our cage nuts and screws help secure equipment and protect rack rails during installs and service work; Backed by free lifetime 24/5 multilingual technical support
