Tablet Security Grip Kit with Quick-Connect Base and VESA Mount

For 8"-12.75" Tablets

Tablet Security Grip with Quick-Connect Base and VESA Mount

This multi-mode tablet security kit gives you fast switches between tabletop, wall-mounted, and handheld setups without ever compromising on theft protection. The unique, slide-adjustable security grip holder cradles your tablet by its corners and. Your tablet stays locked within via a galvanized steel security cable, which attaches at the other end to any permanent fixture (including onto either of the two mounting bases). The holder is also equipped with a quick-connect slide piece, which slides easily onto other ends on the included tabletop display mount and VESA ready wall-mount plate. The holder releases with the simple press of a button.

Features:

- Quick-connect mechanism allows fast switches between handheld, desktop display, and wall mount modes
- Quickly connect tablet security clasp to stand base or wall mount, locking to either with security cable
- Resizable security grip holder protects tablet from theft
- 360-degree rotation and angle adjustment in wall and tabletop modes
- Compatible with 8-12.75 inch tablets, including 11-inch iPad Pro (2018), iPad mini, iPad Gen. 6 (2018), and more

Specifications:

- Tablet grip dimensions: 8" x 2"
