

Samsung Galaxy Tab Active2 Dual USB Docking Station with Cigarette Lighter Connector

Item #7160-1368-20

This is the new improved Samsung Tab Active2 docking station with dual powered USBs. Each USB port will deliver 1.5A of power and has an integrated cable restraint system. The docking station is compact, lockable, and can be used with one hand. Easily connect this docking station to your vehicle with the cigarette lighter connector and this dock will provide power to your tablet's battery so it will stay charged and ready to go.
