

MPN: C19PLUG

C19 Power Connector Female

The MicroConnect IEC Power Adaptor C19 Plug provides a reliable and robust solution for adapting power connections. This adapter is designed to convert standard power inputs to a C19 plug, ensuring compatibility with a wide range of high-power devices and equipment. Built with premium quality materials and adhering to strict European design standards, the C19PLUG guarantees a secure and stable power connection. Ideal for data centers, server rooms, and other high-demand environments, this adapter exemplifies MicroConnect's commitment to pioneering innovation in connectivity solutions, offering a dependable and efficient power solution backed by over 20 years of industry expertise.

Specifications

Features	AC input voltage	230 V
	Conductor material	Copper
	Connector 1	C19 coupler
	Connector 1 form factor	Straight
	Connector 1 gender	Female
	Connector 2	Open End
	Connector gender	Male
	Jacket material	Polyvinyl chloride (PVC)
	Product colour	Black
	Sockets quantity	1
Packaging data	Quantity	1
	Quantity per pack	1 pc(s)
Power	Input voltage	250 V
	Maximum current	16 A
Vendor information	Brand Name	MicroConnect
	Homepage	https://microconnect.me/
	Warranty	25 Year(s)
