- Includes multi-country adapters for use around the world
- 2 year warranty

The Lindy Single Port USB Type C Travel Charger can charge a single USB device at home and abroad with four interchangeable power supply plugs for the UK, Europe, US and Australia. This travel charger has a stylish compact design, perfect for fitting into hand luggage when travelling, with a simple slide and lock mechanism for easily equipping the appropriate adapter.

Featuring a single Type C female USB port this charger is ideal for use with most popular smartphones and iOS devices. Supporting power delivery of 18W, connected devices can be provided with faster charging than what is possible from a standard Type C charger supplied with many devices, and up to 70% faster than a typical 5W USB Type A charger. With Smart IC capabilities, the charger can also instantly recognise the connected device to automatically adjust the charging current for a fast and safe charge while also providing overcurrent protection to avoid excessive current damaging your device. As this charger is rated at Level 6 for efficiency, it also meets the highest current level of energy efficiency standards.

Please note: a USB Type C to Lightning cable (sold separately) is required for many iOS devices
