

Safeguard and carry devices from home, school, study groups and beyond. Our best Explorer case yet, this 4th edition continues the tradition of durable 24/7 protection that doubles as a carrying case. The ballistic nylon exterior delivers weather-resistant reliability along with an updated look students and teachers will love. More than just cool-looking, the molded waves create interior air flow channels that dissipate heat and keep devices cool. Dual carry handles make for a secure grip and comfortable carrying. The removable ergonomic shoulder strap offers another convenient carry option. We've even improved the ID holder for added security. Of course, you can still count on durable protection against drops, scratches and dirt provided by the rigid exterior and padded soft-touch lining. Available in two sizes to fit 11" - 14" Chromebooks and laptops.

## Explorer 4 Work-In Case

Enhanced, always-on protection & carrying

# Explorer 4 Work-In Case

Enhanced, always-on protection & carrying
