Remote working has made convertibles increasingly popular. In public places, it is difficult to protect the data on the display from being seen by third parties. DICOTA has the perfect solution for you! The Secret 2-Way is a highly effective protective film for your display that protects personal and confidential data from prying eyes. The protective film is placed directly on the screen. Plastic holders affixed to the edges of the screen keep the filter in place. The filter can be easily removed from the screen as needed.<br></p></div><div data-bbox="85 536 188 551" data-label="Section-Header><h3>Specifications</h3></div><div data-bbox="85 557 440 673" data-label="Table><table><tr><td>Art.no.:</td><td>D70313</td></tr><tr><td>EAN:</td><td>7640186413138</td></tr><tr><td>Weight:</td><td>0.03 kg</td></tr><tr><td>Material:</td><td>PET</td></tr><tr><td>Warranty:</td><td>24 months</td></tr><tr><td>Dimension:</td><td>303 x 213 x 0.38 mm</td></tr><tr><td>Max.
