

ideapad FLEX 5 (14", 15")

ACCESSORIZE YOUR LIFESTYLE.

The new Lenovo™ **IdeaPad™** Flex 5 offers more ways to connect, interact, and immerse yourself making it a powerful combination of performance, connectivity, and entertainment with up to a 10th Generation Intel® Core™ i7 processor. Enjoy crisp visuals on the FHD display along with the rich sound of user-facing, Dolby Audio™ speakers all while connecting with up to WiFi 6.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD FLEX 5 (14", 15")

Reduce the clutter

A narrow bezel on 4 sides gives you more viewing area and less clutter to interfere with the task at hand, whether that's at work, or play, enjoy the most out of your screen with IPS panel technology and up to Full High Definition screens on the **IdeaPad** Flex 5.

Peek-proof privacy at your fingertips

Today's world is not a simple place, but that doesn't mean we can't build a simple solution to a complex problem. A physical shutter on the webcam ensures you keep out unwanted attention when you are concerned about your privacy.

Create till your heart's content

With an optional digital pen on select models, the **IdeaPad** Flex 5 lets you capture moments of inspiration or take notes on the fly. This versatility gives you the option to use your computer the way you want to use it with the extras like WiFi 6 and long battery life, it lets you do it where and for how long you want to as well.

From zero to 360° in a flash

The **IdeaPad** Flex 5 is designed for you to keep your ideas flowing, anywhere, anytime with the ability to multi-mode your laptop and use it in 'Laptop' mode for everyday computing, 'Tent' mode for sharing things, 'Stand' mode for binge-watching, or 'Tablet' mode for more intuitive interaction.

REDEFINING WHAT'S POSSIBLE.

With a 10th Generation Intel® Core™ mobile processor, it's now possible to enjoy incredibly immersive entertainment on a remarkably thin and light laptop.

- Lenovo Utility
- Lenovo Vantage
- Alexa⁶
- Mirkat

¹ All battery life claims are approximate and based on results using the MobileMark® 2014 battery life benchmark test. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Available only for 14" model (Flex 5-14IIL).

³ Numpad is available only for 15" model (Flex 5-15IIL).

⁴ The actual transfer speed of the USB 3.1 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

⁵ Support system power charging.

⁶ Available on certain models only.

LENOVO SERVICES

Warranty Upgrades

Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair service at your place.¹

Warranty Extensions

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.¹

Accidental Damage Protection

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting,

minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{1,2}

Premium Care³

You will get direct access via dedicated support hotline to highly skilled technicians helping with software and connectivity issues, ensure your case is managed from start to finish. Onsite next business day is the standard part of the Premium Care service.
