

PAD-QCDM

Quick-Connect Desk Mount

For Tablets

Quick-Connect Desk Mount

This streamlined tablet display mount gives you quick, easy setups on your counter, table, or desk. The mount's central base is equipped with no-slip rubber padding, multi-directional angle adjustment, and 360 degree rotation for side to side displays. The tablet holder also rotates 360 degrees to accommodate portrait and landscape orientations. The quick-connect mechanism detaches the tablet holder from the stand with a simple squeeze. This allows you to switch between handheld and mounted modes without having to remove your tablet from the holder. The resizable holder is designed to allow full access to your tablets, ports, buttons, and jacks, and accommodates a huge range of tablet models.

Features:

- Tilting, 360-degree rotating tablet holder
- 360-degree rotating desktop base
- Holder connects and disconnects easily from mounting base with squeeze buttons
- Desktop base equipped with rubber scratch protection pads
- Compatible with any tablet between 8.125 and 10.125 inches in either width or height, including iPad mini, iPad Gen 6 (2018), iPad Pro 12.9, Galaxy Tab S3 9.7", and more
