# HP P24q G4 QHD Height Adjust Monitor

Looks great. Performs even better

Enjoy a stylish, height-adjustable display with sharp QHD resolution and ultra-wide viewing angles on the HP P24q 23.8" Monitor. This ultra slim, 3-sided micro-edge display comes at a great value with convenient HDMI and VGA connectivity.

*Product image may differ from actual product

More screen in less space

- Experience more desk space than you thought possible with this height-adjustable ultra slim HP display. The attractive, micro-edge design adds stylish beauty to your workspace.

Outstanding viewing experience

- See more of your content at once with crisp Quad HD resolution on a 23.8-inch diagonal screen and get ultra-wide IPS viewing angles that combine to give you an amazing view at up to 178°.

Easy Connectivity

- Quickly connect to your devices and additional displays through the HDMI connector. Get legacy device compatibility from the VGA connector.

Featuring

Find your sweet spot
Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode. Adjust tilt for your best view.

Divide and conquer
Manage your display and make it work for you. HP Display Assistant allows you to quickly resize screen partitions so you can work in separate regions of the screen and helps deter theft by dimming a display that's disconnected without approval.

We have your back
We're just a call or click away. Rest assured that your IT investment is supported with our three-year standard limited warranty. To extend your protection, select an optional HP Care service.[1]
