

Delock Cable tie installation tool for stainless steel cable ties

Description

This installation tool by Delock enables to tighten and cut stainless steel cable ties with a width of up to 12 mm and a thickness of up to 0.3 mm in one step.

Simple application

The cable tie will be pushed into the front opening of the installation tool, tightened and then cut off using the hand lever. The handy cable tie installation tool enables a quick assembly and is easy to use.

Note

Only suitable for stainless steel cable ties.
