

Always-connected productivity

Meet Surface Pro X for Business

Ultra-thin and always connected

Go beyond expectations with blazing-fast, always-ready Surface Pro X. Stay one step ahead with our ultra-thin 2-in-1 that delivers the connectivity, battery life, and essential tools you rely on.

All screen for working anywhere

Your ideas take center stage on the brilliant, virtually edge-to-edge 13" touchscreen. Our thinnest Surface Pro ever¹ now comes in new device and keyboard* colors.

Connect to customers without interruption

Deliver a first-class customer experience anywhere with reliable, secure, and always-connected blazing-fast 4G+ LTE.² You're always ready for action with up to 15 hours of battery life,³ Instant On, and Windows Hello sign-in.

Remote work doesn't mean a compromise to customer relationships

Focus on your customers not your computer. Have options that help you work your best—from a touch-first, pen-enabled tablet to a portable studio, or a laptop with full keyboard that connects to your external displays. Be heard and be seen in video calls and virtual meetings with dual far-field Studio Mics, front-facing 5.0 MP HD camera, and Eye Contact.

Surface for Business unlocks more value Give IT peace of mind with a removable hard drive. Surface customers save time and money with streamlined deployment, modern device management, and built-in, cloud-powered security.

³ Surface Pro X: Up to 15 hours of battery life based on typical Surface device usage. Testing conducted by Microsoft in September 2020 (Surface Pro X with Microsoft SQ® 1 and Surface Pro X with Microsoft SQ® 2) using preproduction software and preproduction configurations of Surface Pro X with Microsoft SQ® 2) using preproduction software and preproduction configurations of Surface Pro X with Microsoft SQ® 2) using preproduction software and preproduction software standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel and Outlook, and (3) a portion of time with the device in use with idle applications. Tested with Windows Version 10.0.19041.1(20H1) and Edge version 85.0.564.51. All settlings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Battery life varies significantly with settlings, usage and other factors. ⁵ At this time, Surface Pro X will not install 64-bit applications that have not been ported to ARM64, some games and CAD software, and some third-party drivers or anti-virus software. New 64-bit apps are coming to ARM 64 all the time. Find out more in the FAQ. [FAQ is link to: https://docs.microsoft.com/en-us/surface/surface-pro-arm-app-performance]

Requires [Increase or subscription to activate and use

Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See https://aka.ms/m365businesstrialinfo
⁸Weight not including Surface Pro X Keyboard.

^{**}System software and updates use significant storage space. Available storage is subject to change based on system software and updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See Surface Storage for more details.

10 Removable solid-state drive (SSD): Hard drive is not user removable. Hard drive is only removable by skilled technician following Microsoft provided instructions.

11 Available colors may vary by market and configuration.
