

Delock 19" DIN Rail Bracket 4U, black

Description

This DIN rail bracket by Delock can be mounted in a 19" rack. The two included DIN rails 35 mm can be mounted vertically or horizontally. The lateral oblong holes also allow free mounting of the DIN rails to match the user's own requirements.

Individual assembly

With the help of Delock's DIN rail bracket it is possible to integrate devices such as automatic circuit breakers, residual current circuit breakers, power sockets or similar into a 19" rack.
