

PRODUCT UPDATE

PRODUCT:

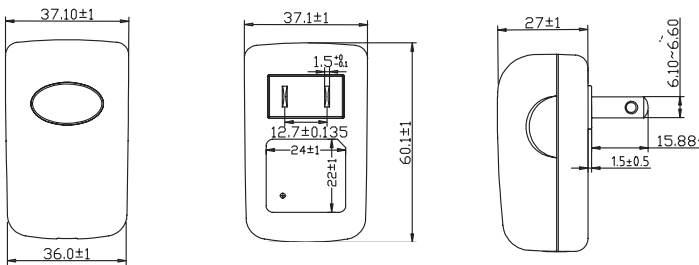

- **C2G54463** - 4-Port USB-A Hub with 5V 2A Power Supply

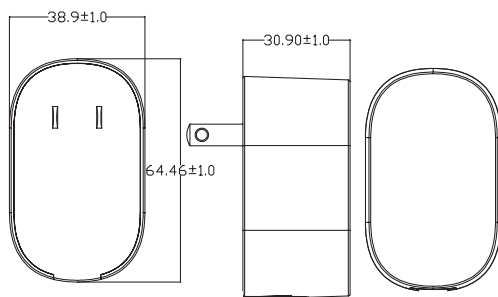

In our ongoing commitment to improving product quality and performance in accordance with industry standards, we have implemented minor updates to the power supply included with the hub.

MODEL COMPARISON PREVIOUS VS. UPDATED DESIGN

PREVIOUS MODEL

UPDATED VERSION

WHAT HAS CHANGED?

1. The **power supply dimensions** have changed from 2.37in x 1.46in x 1.06in (LxWxH) to 2.54in x 1.53in x 1.21in (LxWxH).
2. The **power supply cord length** has changed from 46.5in to 47in.

We want to assure you that these updates do not affect the power supply's high performance, and there will be no impact on the hub's functionality.

During this transition period, you may continue to receive shipments of the previous product model until existing distributor stock is depleted. Both the old and new models meet our strict quality standards.

If you have any questions or require additional information, please don't hesitate to contact us. We appreciate your continued support and look forward to providing you with our improved product.
