

MPN: LVN127603

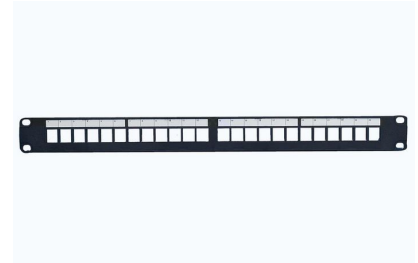

24-port STP Cat6 + Cat6a patch panel

1U for 19" rack

19" Shielded Patch Panel designed for STP installations.

The panel has a screen printed labelling field positioned above each port, and cable tie bridges are positioned behind each port to relieve cable stress.

- To order a full box, please select the following quantity: 10 pcs.
- Screen printed labeling field
- Cable tie bridges behind each port
- Backwards compatible
