

## Universal 3-in-1 Keyed Cable Lock with Twin Lockheads

Standard Keyed Part Number: K63380WW | UPC Code: 0 85896 63380 8  
Master Keyed Part Number: K63381EUM | EAN Code: 5 02825 262442 8

Secure two  
devices with  
a single lock.

The Universal 3-in-1 Keyed Cable Lock with Twin Lockheads fits standard, nano and wedge-shaped security slots, ensuring a universal fit regardless of hardware brand or generation. Perfect for securing multiple devices such as a laptop, monitor or docking station, making cable and key management easier, decreasing cable clutter and helping to futureproof your locking solution. Lock tips are easily changed with a tether keeps unused lock tips handy. A common 5mm keying system, patented Hidden Pin™ technology and carbon steel cable provide strong security against picking and theft attempts. A pivot and rotate lock head allows flexible movement and easy key insertion. Additional features include Register & Retrieve™ for quick, secure and easy key replacement, together with a five-year warranty backed by Kensington, inventor and worldwide leader in laptop security locks. Master keyed (K63381EUM only) provides administrative access so IT managers can have a key for all locks, while each user has their own individual lock and key. All Kensington locks are verified and tested for strength, physical endurance, and mechanical resilience.

Features include:

- Secures two devices with a single lock
- Works with any security slot to help futureproof your locking needs
- 5mm keying system
- Patented Hidden Pin™ technology
- Carbon steel cable
- Pivot and rotate lock head
- Tether strip holds unused lock tips
- Quick, secure, and easy key replacement (via Register & Retrieve™)
- Verified and tested
- Master keyed for easy key management (K63381EUM only)
- Made by Kensington, inventor and worldwide leader in laptop security locks
- Five-year warranty

## Universal 3-in-1 Keyed Cable Lock with Twin Lockheads

Standard Keyed Part Number: K63380WW | UPC Code: 0 85896 63380 8  
Master Keyed Part Number: K63381EUM | EAN Code: 5 02825 262442 8

### Twin Lockheads

Lock two devices with a single solution. Perfect for securing multiple devices such as a laptop, monitor or docking station. Makes cable and key management easier and decreases cable clutter.

### Fits Any Security Slot

Fits standard, nano, or wedge-shaped security slots, regardless of brand or generation, helping to futureproof your locking solution. Lock tips are easily changed, with a tether keeping unused lock tips handy.

### 5mm Keying System - Master Keyed

Common across all of Kensington's latest locks, so there's only one keying system to manage. Smaller key opening helps thwart picking attempts. Master keyed (K63381EUM) provides administrative access so IT managers can have a key for all locks, while each user has their own individual lock and key.

### Patented Anti-Pick Hidden Pin™ Technology and Carbon Steel Cable

Resists tampering and offers peace-of-mind. 1.8m (6') cable with plastic sheath delivers cut and theft resistance.

### Pivot and Rotate Lock Head

A special hinge allows flexible movement and easy key insertion.

### Register & Retrieve™

Kensington's online key registration program that allows for quick, secure and free key replacement if ever lost or stolen.

**5-Year**  
Limited Warranty

### Verified and Tested

Each Kensington lock is precision engineered to meet or exceed rigorous industry standards for strength, physical endurance and mechanical resilience.

### Five-Year Warranty

Rest assured knowing you're covered by Kensington, inventor and worldwide leader in laptop security locks.
