

Exponentially more protective and with more functional features than its predecessors, the Shield Extreme-X2 provides a perfect fit for the iPad 9 and other 10.2" iPads. Soft TPE construction throughout delivers greater shock dissipation to protect from drops and impact. The removable screen protector enables easy replacement and reinsertion as needed. Enjoy unlimited positioning options thanks to the 180-degree rotating kickstand with easy-sliding high-friction hinge*. The custom-fit design delivers easy access to all ports, openings and buttons. Updated corner anchors make it easy to add an (optional) hand or shoulder strap.
