

HDMI EXTENDERS

HDMI Over Ethernet Extender

The HDMI extender will enable you to extend the distance of your HDMI signal up to 120m (394 feet) via a single Ethernet cable. The extender supports resolutions of up to 1080 at 60Hz, it also supports I/R pass through via the supplied adapters.

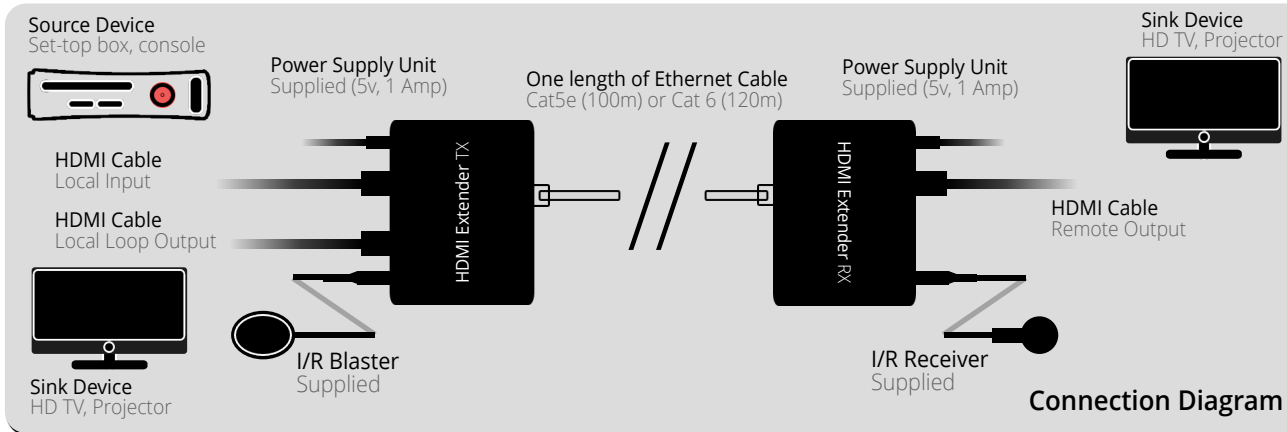

The local sender unit also has a HDMI output so you can send the signal to a local display and the remote display at the same time.

- Package Contents**
- 1x HDMI Sender
 - 1x HDMI Receiver
 - 2x Power Supplies
 - 1x IR Blaster
 - 1x IR Receiver
 - 1x User Manual
