

Doro 6820

Stylish flip phone for clear conversations

The Doro 6820 is an excellent choice for seniors who want ease of use and great sound in a stylish clamshell design. Calling, texting and taking pictures are all made easier thanks to well separated, high contrast keys and a large 2.8" screen. Other features include clearer conversations with HD voice, soft touch coating for a more secure grip, and convenient shortcut keys to both camera and messages. There is also an assistance button that can be used to alert up to five trusted friends or relatives if help is needed. And of course, it is compatible with hearing aids (HAC).

- **Hear more thanks to loud and clear sound**
- **See more on the large, easy to read display**
- **Our Doro 6820 is a Which? Best Buy**
