Produktnavn : HyperX Cloud III
- Gamingheadset (sort)

HyperX Cloud III - Gamingheadset (sort)

[HyperX Cloud III - Gamingheadset \(sort\):](#)

En legende er genfødt.

HyperX Cloud III er en videreudvikling af vores velkendte Cloud II, som er kendt for at være behagelig, have god lyd kvalitet og være slidstærk. Det bløde og velkendte HyperX-hukommelsesskum i hovedbånd og ørepuder giver en behagelig pasform, også når du har lange gamingssessioner. Du får også de nye, fintunede 53 mm drivere, som er vinklet, for at give dig en optimal lytteoplevelse. Den opgraderede 10 mm mikrofon opfanger krystalklar stemmechat og opkald i spillet. De nemme knapper på headsettets ørepuder giver dig mulighed for nemt og direkte at slå din mikrofon fra eller justere lydstyrken. LED-indikatoren på til mikrofonen viser tydeligt, om din mikrofon er slået fra. Kompatibel med pc, PS5, PS4, Xbox Series X|S, Xbox One, Nintendo Switch, Mac og mobil. Oplev ultimativ komfort og lyd på alle dine foretrukne platforme.

Præstation		Mikrofon
